address

DECLARATION

1. I declare that I am the author of a work entitled:

intended for publication in the journal *Geomatics and Environmental Engineering* (Online ISSN: 2300-7095; Print ISSN: 1898-1135), published by *AGH University Press*, and that I have full copyright and property rights to this work.

2. At the same time, I guarantee that the work does not infringe copyright, trademark, patent, or other third party's property rights. My rights to store the work, reproduce it in print (as well as on digital storage media), make it available in digital form on the Internet, and put into circulation reproduced copies of the work worldwide are unlimited.
3. I declare that the work has never been published before, has not been submitted to any other journal, and has not been made publicly available in any form, including as a preprint on preprint servers or institutional repositories.
4. I also oblige myself to reimburse AGH University of Krakow for any expenses and compensate any financial losses resulting from third party claims if it appears that any of declarations 1, 2, or 3 are untrue.
5. Hereby, I grant AGH University of Krakow a free, unlimited in time and territory non-exclusive licence to:
- store the work,
 - reproduce the work using any method, including printing and digital recording,
 - put the work into circulation,
 - store the work on a computer and distribute it via the web, including the Internet and databases.
6. I am aware that the journal is published under a Creative Commons BY license – Attribution (<https://creativecommons.org/licenses/by/4.0/legalcode>). By submitting an article to the journal, I agree to make it available under this license.
7. I also agree to make any necessary changes in the work resulting from the editor's proof-reading, provided that the final version of the primary text and additional materials is approved by the Author or an authorised representative of the editorial staff.

Declaration of Author Contributions (CRediT taxonomy)

- ☐ The authors' contributions according to the CRediT taxonomy are as specified in the table below.
☐ The authors declare equal contribution to all parts of the work (CRediT: all roles shared equally).

For each role below, please list the author(s) (name and surname) or write N/A.

Role (CRediT)	Author(s) or N/A
Conceptualization	
Data curation	
Formal analysis	
Funding acquisition	
Investigation	
Methodology	
Project administration	
Resources	
Software	
Supervision	
Validation	
Visualization	
Writing – original draft	
Writing – review & editing

Author list and signatures

For each author, provide: name and surname (top left), affiliation (bottom left), and ORCID iD (top right). Each author must sign in the corresponding field (bottom right).

Optional: Authors may additionally indicate their percentage contribution next to their name (the total should equal 100%). If percentages are not provided, equal contribution by all authors is assumed.
